Editor Helen

Dearest Editor,

I really feel privileged to be able to write under this pretty picture. I think you have the sweetest smile and the most wonderful personality. Always keep it. I can't tell you how much fun and how much I have enjoyed being in school with you. We have had some wonderful times together I will never forget - the Beta Convention, Senior Day, spending nights together (slumber parties) and everything. I'm really going to miss you and all the crowd. I hope that we will be able to see each other this summer or I know you are going to have fun at Medical School in Richmond. I will think about you while I am at Radford. I shall always remember you as one of the sweetest girls I know.

Love "you"
Janet

Dear Edith,

Don't ever forget all the wonderful times we've had together in choir, English, etc. Remember the crazy times we had in Martinsville? I'll never forget those double dates!

Charlene Wilson

Next year we'll have to keep in touch with each other. Maybe we can spend a week end at each others colleges - O.K.?

You are one of the sweetest girls I've ever known or ever hope to know.

I hope that whatever you take up in life will be a success. I'm sure that it will because you have that intangible something that compels people to like you.

Here's the best of everything always to a talented, gracious, pretty, and sweet gal.
little al'

Love you.
Carol Jean

Berliah Feagles

Mary Lou It comes

Dear Editor,

The days are drawing near and the close of school will soon be here, and now I must give you a summary of yourself through my "short" two years of knowing you. You have meant a great deal to me as a student and a friend. You were always the person I could depend on, to be prompt, polite and always ready to give assistance at the perfect time. To me, you have a large place in my heart, I love you for everything you are and will even hope to be.

I could never forget our trip to Camp Pickett, Farmville, & the Beta Club Convention and our stay together when your parents were in Florida. We learned to know each other and to care for each other.

I sure will miss you and I hope I live through graduation. Best of luck, success, and happiness to one who rates on top in my friends. Love,
Doris Hopper

"Some mindfulness a man should surely
keep, of anything that pleased him once."

Dearest Edithor,
I can't begin to put
into words how much
I've enjoyed being in
Music (and all the rest
of school activities) with
you, or how much
I'll miss you next
year. The Choir won't
be right without you.
I know you'll succeed
at whatever you under-
take because you've
got what it takes!
Lots of love to a grand
girl,

Yvonne

Edithor,

Wishing you the best
of luck all through
life. I have enjoyed
music class with
you this year. I sure
will miss you next
year. Stay as sweet
and cute as you are
now and you will
make a great success.

Love to a sweet
The Girl,
Carole Jean

1953

Edition of

Our Golden

Dearest Edith

It has really been well knowing you these two years.

It's hard to say good-bye to some one like you because you began to see order in what you'll do without her. I have enjoyed the many things we have done together - the Beta Convention - the night I spent with you - our conversations over Paul and Wesley and of course our conversation at school and in our various classes.

It's hoping that this will not be good-bye for us because, as you know, you are welcome over at the house at any time, and of course I'll be expecting you to come up and see me at "Sweetwater" every chance you get this summer. I want to forget your promise to come up to see me at Bridge Water. With all of course, we'll write each other every chance we get after the night, June 2.

Wish you all the success in the world in college next year and in life. I know you'll succeed.

May the very best be yours
Come far success it.

Spun with moisture
From our laughter,
And perhaps our tears,
Shed

In "Our Golden Years"

The "Golden Years" referred to in this book are our last three high school years of 1950-1953, which have been glorious years filled with new and wonderful golden opportunities since the erection of our modern, consolidated Franklin County High School. The beauty of the building itself, expansion of the curriculum and extra-curricular activities, learning to work together in a group of around 900 students, assemblies and dramatic productions in our own picturesque auditorium, choir performances, hot plate lunches in our modern cafeteria, football games, basketball games and Junior-Senior Prom in our handsome spacious gymnasium ---these and many other delightful experiences have made these shining years, which can never be forgotten. The "Animo" staff has purposed to record in this 1953 edition some of the events of the year 1952-'53--the best of "Our Golden Years."

FOREWORD

DEDICATION

To

Future
Peace . . .

Through a window see a campus.
Through a campus see a world.
Thoughts and learning-education,
All the needs fulfilled but one,
To live in peace with fellow man.

"To every life there comes a time supreme;
One day, one night, one morning, or one noon,
One freighted hour, one moment opportune,
One rift through which sublime fulfilments gleam."

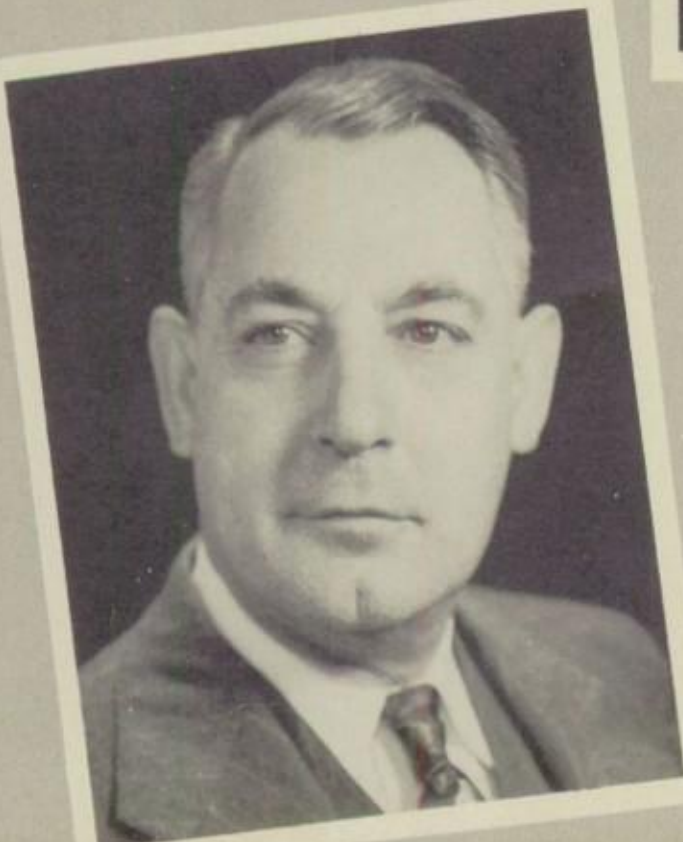

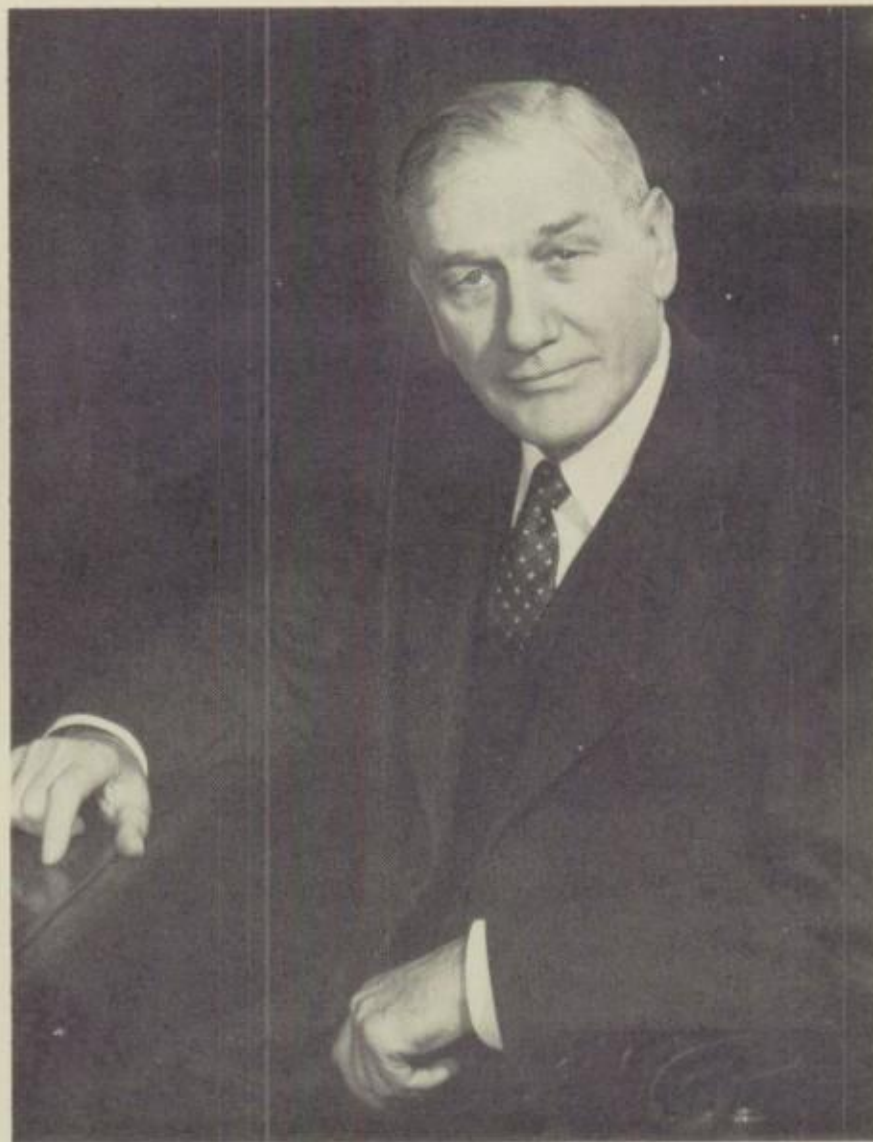

Mary A. Townsend, "Opportunity"

To us this "time supreme," this "moment opportune," this "rift through which sublime fulfilments gleam" was the opening of our new Franklin County High School in 1950. For us a dream had become a reality; Opportunity was ours. Truly, this was the beginning of "Our Golden Years." Three glorious years have past, and we now have, according to all who

view it, one of the most beautiful, modern, and complete schools to be seen anywhere. We are proud of our school, and we are deeply appreciative to all who have had any part in helping us to acquire it. Especially do we wish to express our appreciation to two people who, we feel, have played an important part in making possible "Our Golden Years."

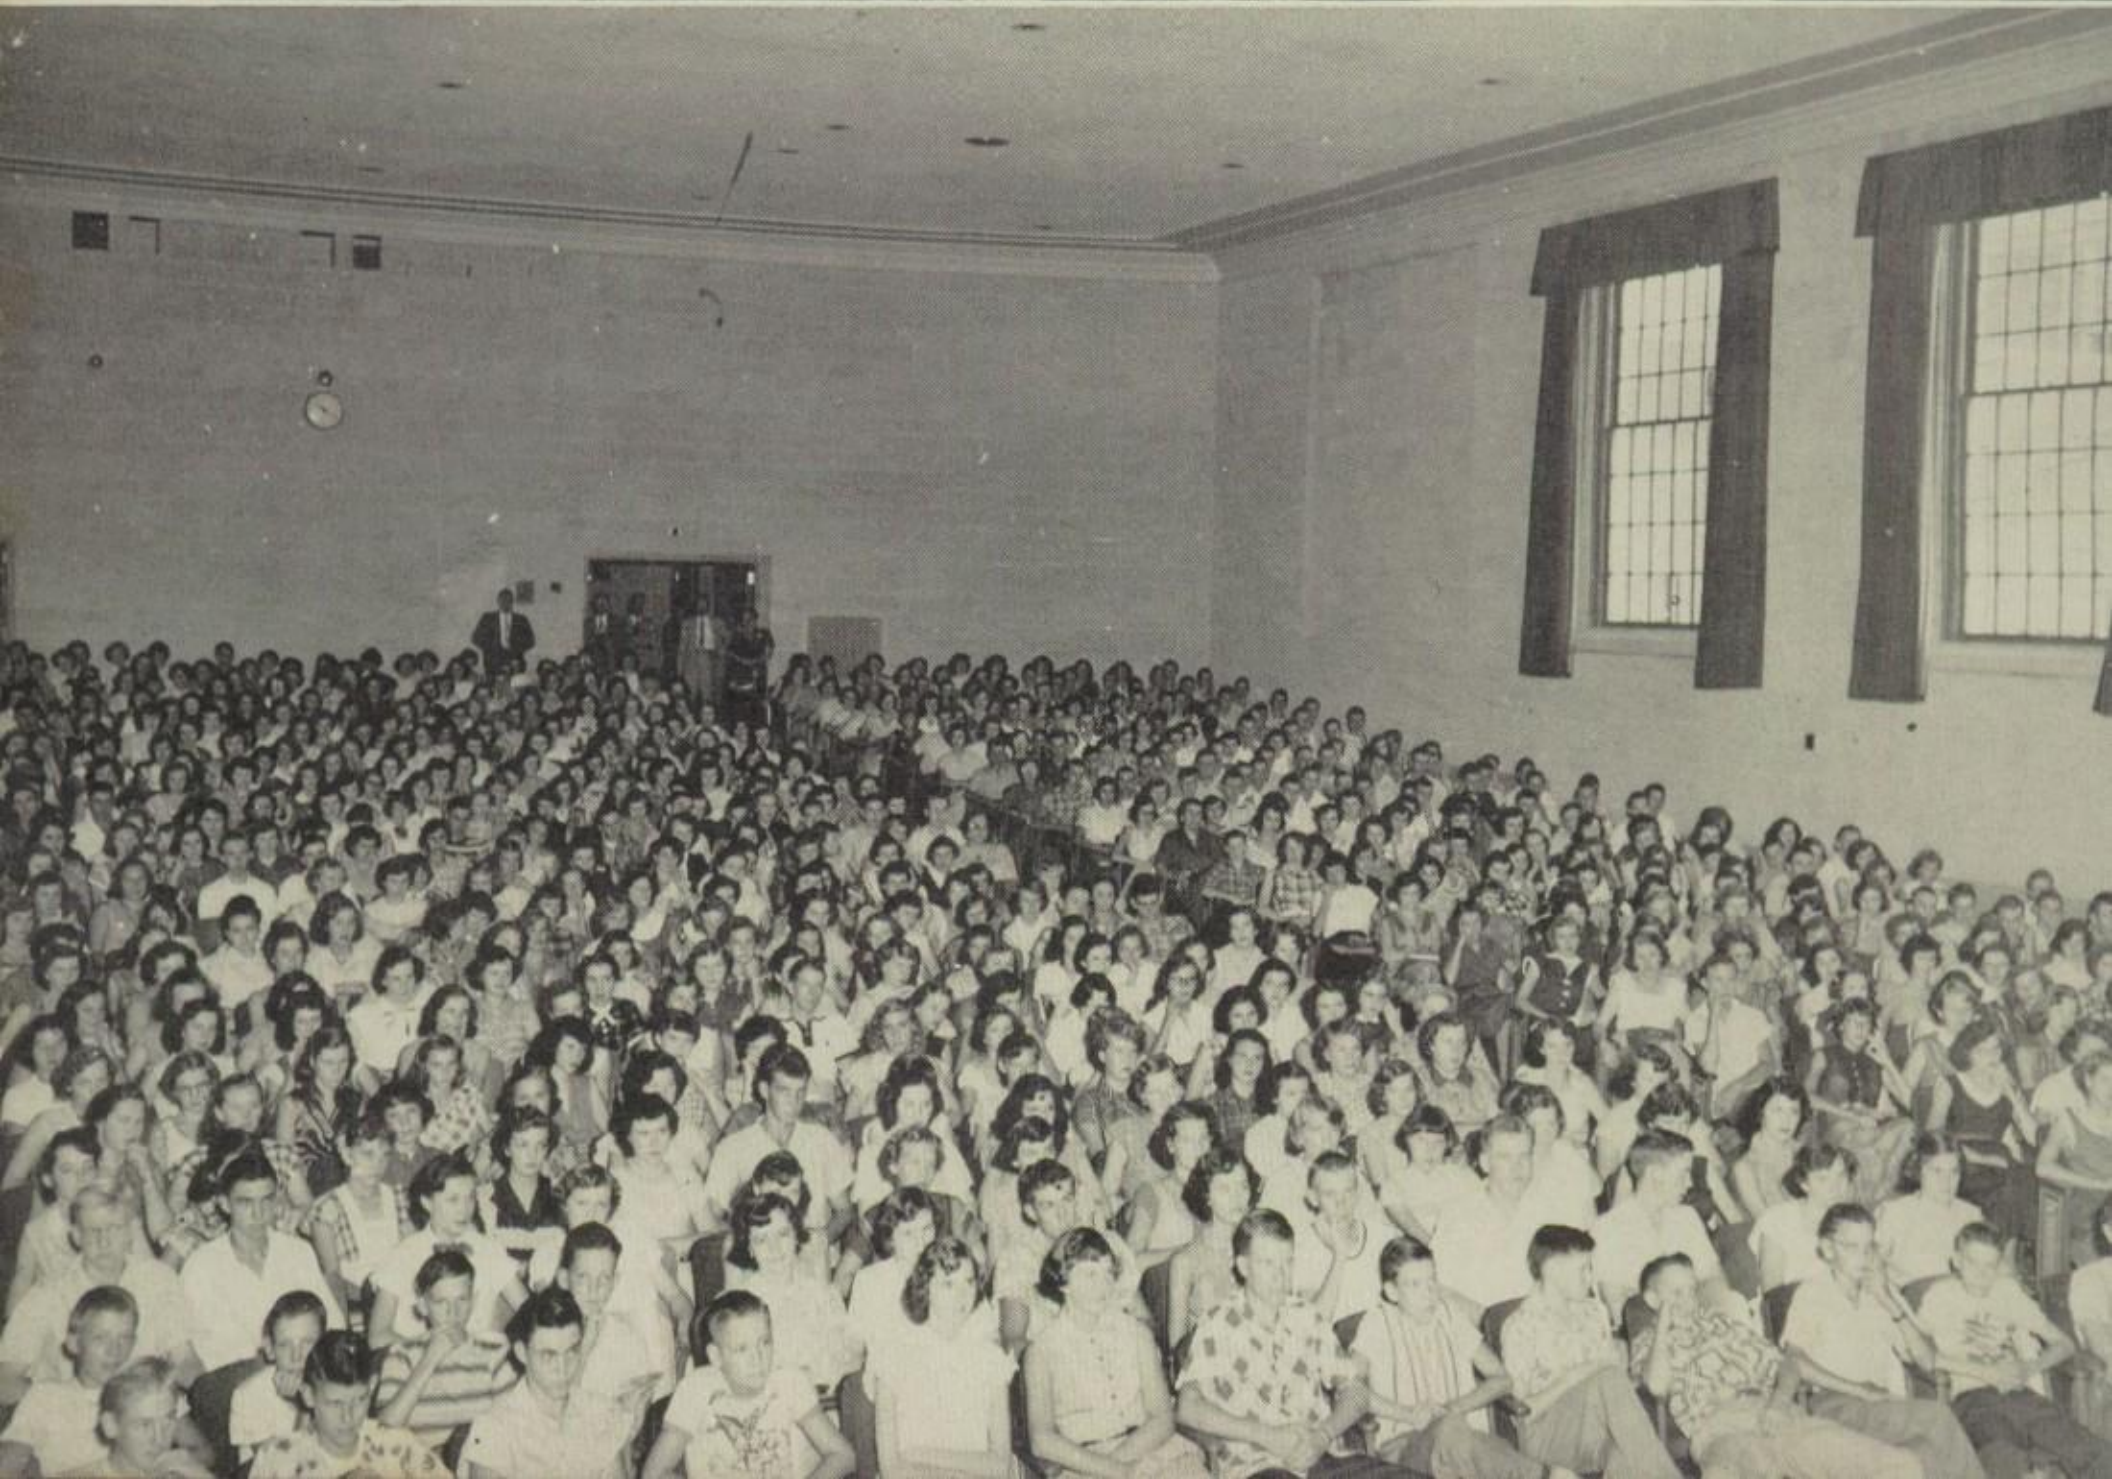

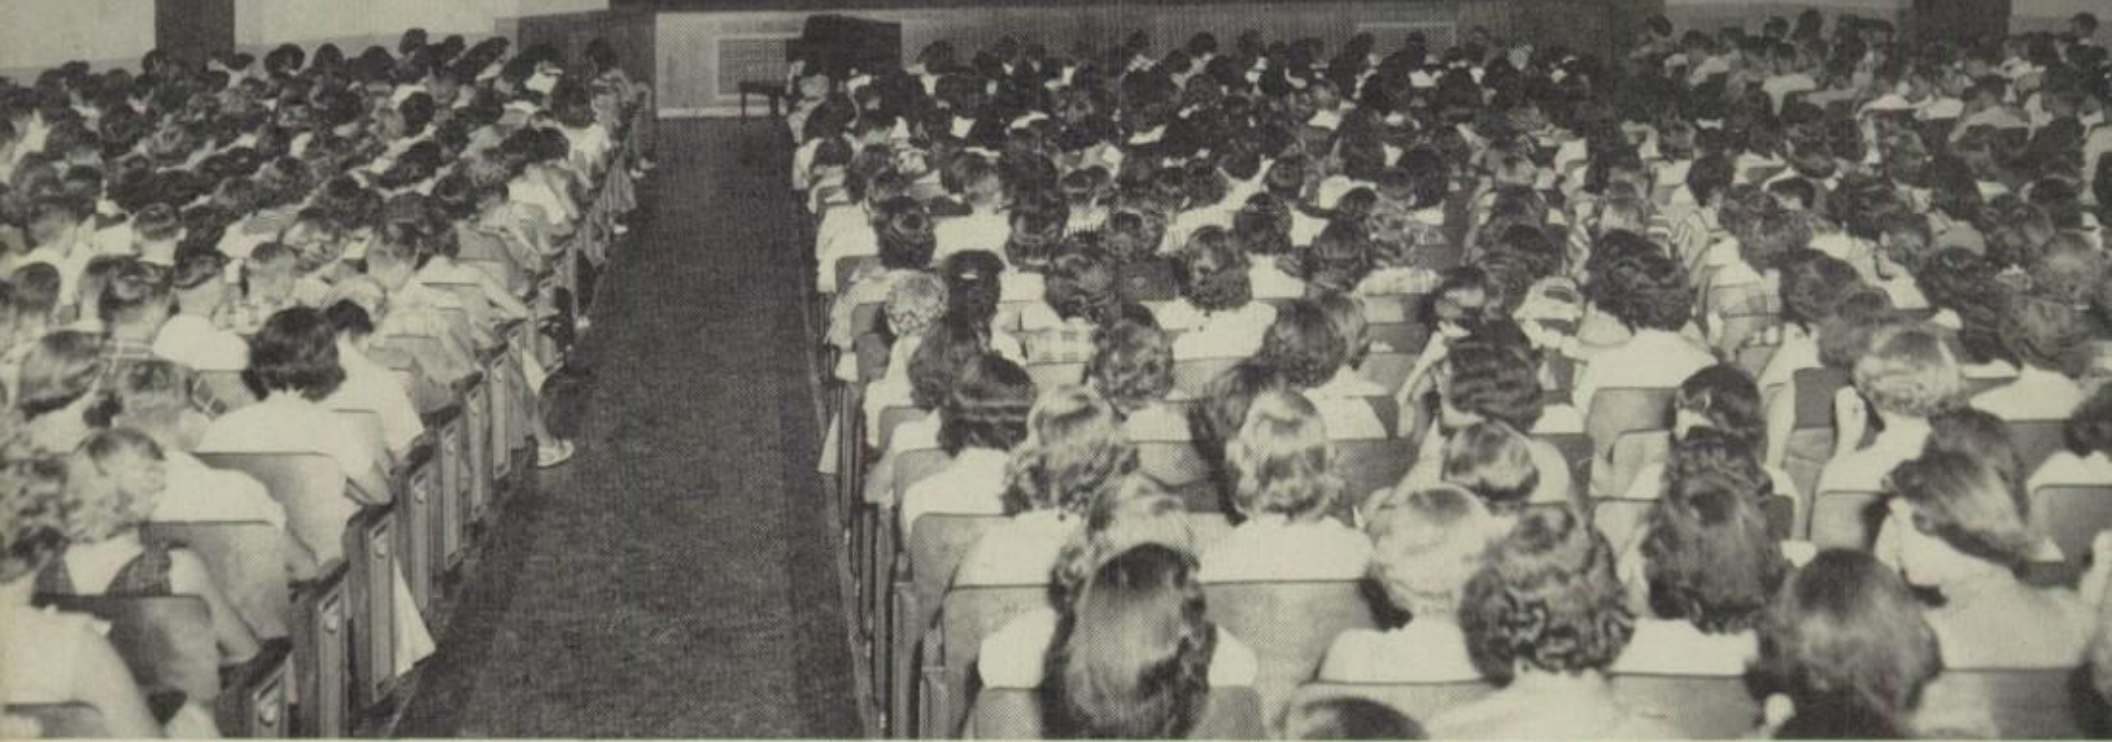

I N A P P R E C I A T I O N

To Mr. Harold W. Ramsey, Superintendent of Franklin County Schools, Phi Beta Kappa, Vice President, Board of Visitors of the College of William and Mary, outstanding educator, kindly, scholarly gentleman extremely modest to his own virtues and achievements, personal friend whose visits to F. C. H. S. are always welcome, we again express our gratitude for his fervent ambition and persistent efforts during his 25 years as superintendent to obtain for us the best educational advantages. We reaffirm our faith in him as our champion for the cause of education in Franklin County, and we hereby extend to him our appreciation for all the anxiety and strain, which we know he must have experienced in handling the many complicating problems pertaining to the achievement and the erection of Franklin County High School. He has played a great part in "Our Golden Years."

To the Honorable John S. Battle, distinguished Governor of Virginia, friend of education, Southern gentleman, whom we ardently admire as a man and as a statesman, we dedicate this page as a public expression of our sincere appreciation for his deep concern for the education of the youth of Virginia, manifested by the "Battle Fund," which made it possible for us to procure our new school, the largest consolidated county school plant in Virginia to benefit by this appropriation.

*“It made me glad some to be getting some education,
it being like a big window opening.”*

The background features a light cream color with two prominent diagonal bands. A wide, light gray band runs from the top left towards the bottom right. A narrower, darker gray band runs parallel to it, slightly offset. On the right side, there is a dark, almost black, abstract silhouette that appears to be a person's profile or a stylized figure, partially obscured by the diagonal bands.

ministration and Faculty to light
our way.

TRATION

GUIDES through

The coming of our new principal, Mr. Bonner, was one of the wonderful things that happened in 1950, the first of "Our Golden Years." His was the task of starting us out on the road to success in our new Franklin County High School. Small in stature and young in years, Mr. Bonner very soon proved himself to be endowed with a master mind, great wisdom, a marvelous capacity for work, and a big heart. On his shoulders have rested the organization and management of the school and the welfare of the students. His constant devotion and concern, his thoughtful supervision and direction, and his sympathetic understanding of our problems have endeared him to us. Deeply admired and respected by everyone is Mr. Bonner, honored guide of "Our Golden Years."

"He has a heart of gold."

Mr. Elton A. Bonner, Principal
B. A. University of Alabama
M. A. University of Alabama

*You have brought
much pleasure
and personality
to each of us. We miss you!
Ed Bonner*

Held in high esteem by students and faculty for her faithful service in the office is our secretary, Mrs. Margaret Motley. She is never too busy with records or figures or filing to answer our questions or help us solve our difficulties. "Margaret," as many of us remember her as a graduate of '50, has also helped to make our final golden years the best.

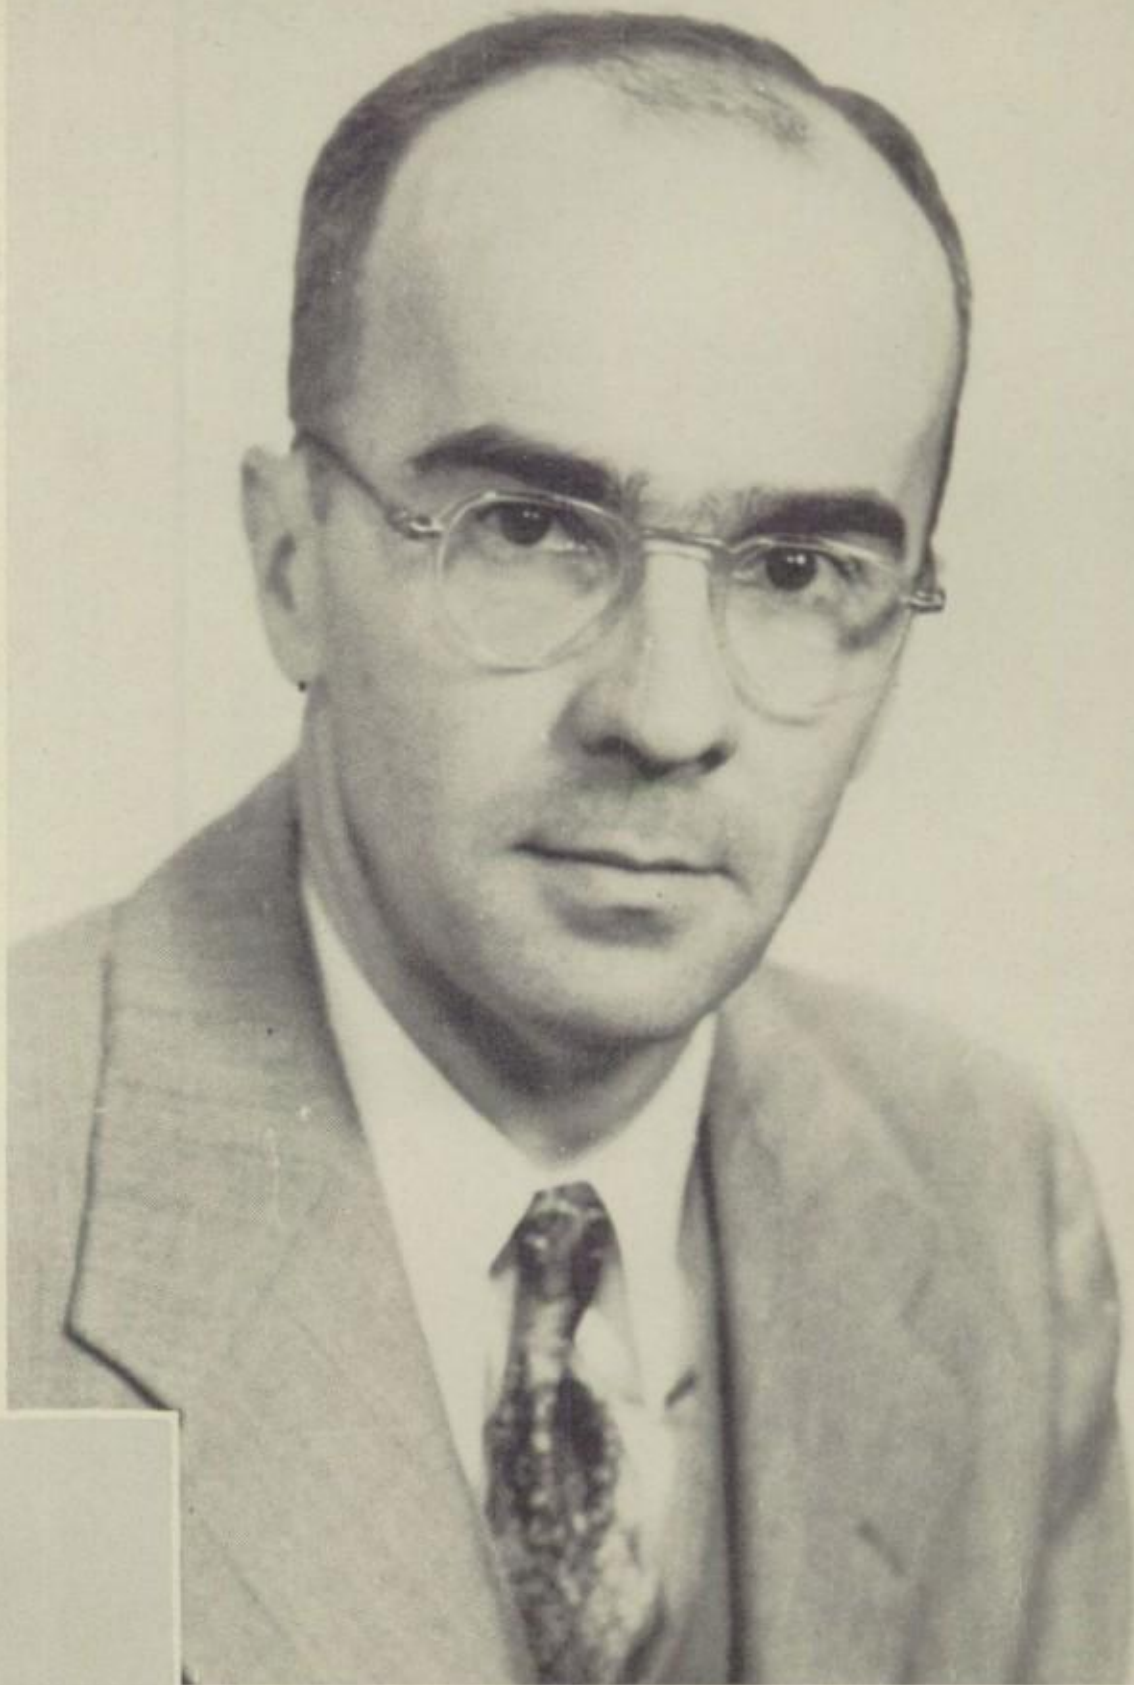

Mrs. Margaret Motley
Secretary

"Our Golden Years"

Many important decisions have been more easily made with the assistance of our kindly guidance director, Mr. Bruce Kent, who is always ready and willing to confer with us regarding our future careers or any other problem. Although Mr. Kent assists in office routine work and also teaches two classes, he finds time to be very helpful to us in the guidance field. He has played a great part in "Our Golden Years."

Bruce M. Kent

The careful supervision of the finance of the school and of the cafeteria are the chief responsibilities of Mr. Cecil Doss, our business manager. He also assists with the sale of tickets and gate receipts at the games. A very valuable person indeed, who also teaches a part of the day, is Mr. Doss.

Cecil M. Doss

BANKERS TRUST CO.

"While bright-eyed Science watches round."

The faculty of Franklin County High School have indeed been the faithful guides of our golden years in our new Franklin County High School. It is they who have charted the course and pointed out to us the way of golden opportunity that has been ours in our wonderful new surroundings. They have endeavored to discover and bring out the good in us and to eliminate the uncouth and the unattractive. They have labored to discover, refine, and polish the gold in our natures and have shown us that "knowledge is power." Without their help there could have been no golden years!

They Discover The Gold

The picture below shows the faculty in conference. Their conferences are held each Monday afternoon from 3:30 to 5:00 for planning the work of our school.

Our Last . . . The Best Of "Our Golden Years" . . .

After twelve years of work and play we have finally come to the last and best of "Our Golden Years." Some seniors have been in the school only since last year so they had a lot of new faces and things to become accustomed to, but everyone got settled down and became friends in time to make this our most interesting year.

The first big social event of the year was Homecoming, when Mr. Touchdown and Miss F. C. H. S. were crowned. We all enjoyed this but hated to think that this was our last homecoming as members of the student body.

By the middle of the year we were beginning to think of our futures--so, when the time came to take our State A. C. E. test to determine our

standing in the class, we all put forth special effort to show every one that we were the smartest of all the classes.

Mid-term exams--and only three more six weeks of "Our Golden Years" left. We were all beginning to think of leaving our classmates, teachers, and friends with sorrow. But there were many things to enjoy together before leaving. We had lots of fun at the Junior-Senior Prom, Senior Day, signing annuals and many parties.

Finally the great day came when we went forward for our diplomas. We were saddened by the thought that "Our Golden Years" were ended, but we looked forward to the future with bright hope.

STEAK HOUSE

Tommy and Tatum-JUNIOR-SENIOR PROM

Junior Homeroom Presidents: Nellie Hollandsworth, Kitty Cooper, Alice Burnette, Peggy Worley, Yvonne Peters.

Just One More Lap In "Our Golden Years" . . .

With one more golden year ahead of us at F. C. H. S., we sense as Juniors a very deep feeling of gratitude for the years we have spent together as classmates. In the classroom, at football, basketball, and baseball games, at club meetings, parties, and in almost all of our activities, we have worked and played together. We know that we owe our teachers and leaders a great big "thank you" for all the patience they have shown us, and to the classmates—both old and new, who have tried in every way to make every student feel that he belongs here in F. C. H. S., we can never express our sincere appreciation.

This year has brought to us the fulfillment of many of our long awaited hopes. Last year we could only listen to our older classmates discuss the activities of the Hi-Y, Tri-Hi-Y, and Beta Clubs, and when the Juniors and Seniors began to prepare for the Junior-Senior Prom, in only another year, we tried to tell ourselves, we would be a part of it. But oh, how long we im-

agined that year would be!

Time has slipped upon us, however, and as Juniors we have become a very definite part of these activities. How we enjoyed making plans for the prom, how we wanted to impress those seniors! Then when the actual time came, we knew that it had not been the desire to impress our upper classmates, but instead we wanted to show them that we loved them and already had begun to feel sad at the thought of their graduating and leaving us as the Senior Class. With this thought came the realization that we have before us a tremendous responsibility, for, just as we have in the past looked up to the Senior Class for an example, so in the same way the other classes will be looking up to us next year. This does not worry us, though; it only encourages us because as we have tried to give our best as Juniors, we will put our all into making our last golden year what each and every one of us has hoped and prayed for.

Sophomore Home Room Presidents: Johnny Bowman, Nancy Pugh, Douglas Divers, Jerry Green, Carey Washburn, Betsy Naff.

Halfway Through "Our Golden Years" . . .

As we began this new year, some were in a strange and new environment, while others, having already spent two years here at F. C. H. S., felt quite at home.

It was a real joy to enter our homerooms and classes and become acquainted with boys and girls from all parts of the county. New faces appeared everywhere with new ideas and different interests. In this respect, the sophomore class is

luckiest, because most of the new students are sophomores.

We finally settled down to the same old routine--studying and trying to put more knowledge where it is needed. We realize this is an important factor for the success of our future.

Our goal is to continue these "Golden Years" and strive to grow in mind, body, and soul.

Three More "Golden Years" . . .

During which we will become three years older and more mature, more sedate, more dignified, and better able to do the great things which we wish we could do now for our school and for ourselves.

While we are "growing up" we want to learn more about life around us-about society-and the part we may play in this our social world.

We want to gain all the knowledge possible to help us make correct decisions and develop our abilities so that our experiences may shape our environment to produce the best results for all concerned.

We would like to develop the strength to ever stand for the right. This means to be dynamic-

to stand when it is easier to sit-to act when others decline-and evermore to stand.

After "Three More Golden Years" we would like to take our place in the history of the Franklin County High School and as seniors then let us determine now to be builders-to be different if necessary-but always to be constructive.

In the development of mankind, as the individual approaches his best, he approaches God. May the close of the next three years of our lives find us doing our best for our school and for humanity, because we have tried to best take our places in the life into which we have been born. May we never lose the determination to help make this world a better place in which to live.

*Remember always, because
I'll remember you the
times we ~~was~~ have had
in Home Ec. Sh*

Eighth Grade Home Room Presidents: Kenneth Turner, Gerry Rakes Alvin Hall, Rosalie Montgomery, Richard Hunt, Serina Montgomery.

The First Of "Our Golden Years"

We, the Eighth Graders, were proud to begin the first of "Our Golden Years" in this modern and beautiful building.

This might be called the "greenest" of the golden years. For how green we were! We felt lost, confused--and very unimportant--so many strange students and teachers--the largest building some of us had ever seen. However, with

many helping hands, patience, and understanding we were soon made to feel at home.

Now as the year closes, we feel we've become an active part of the school. The long lane down the Senior Trail looms bright and promising with golden opportunities.

We are ambitious, courageous, and enthusiastic. Watch for us--the Eighth Grade of '53! The Seniors of '57!

GOODE-MENEFEE ELECTRIC

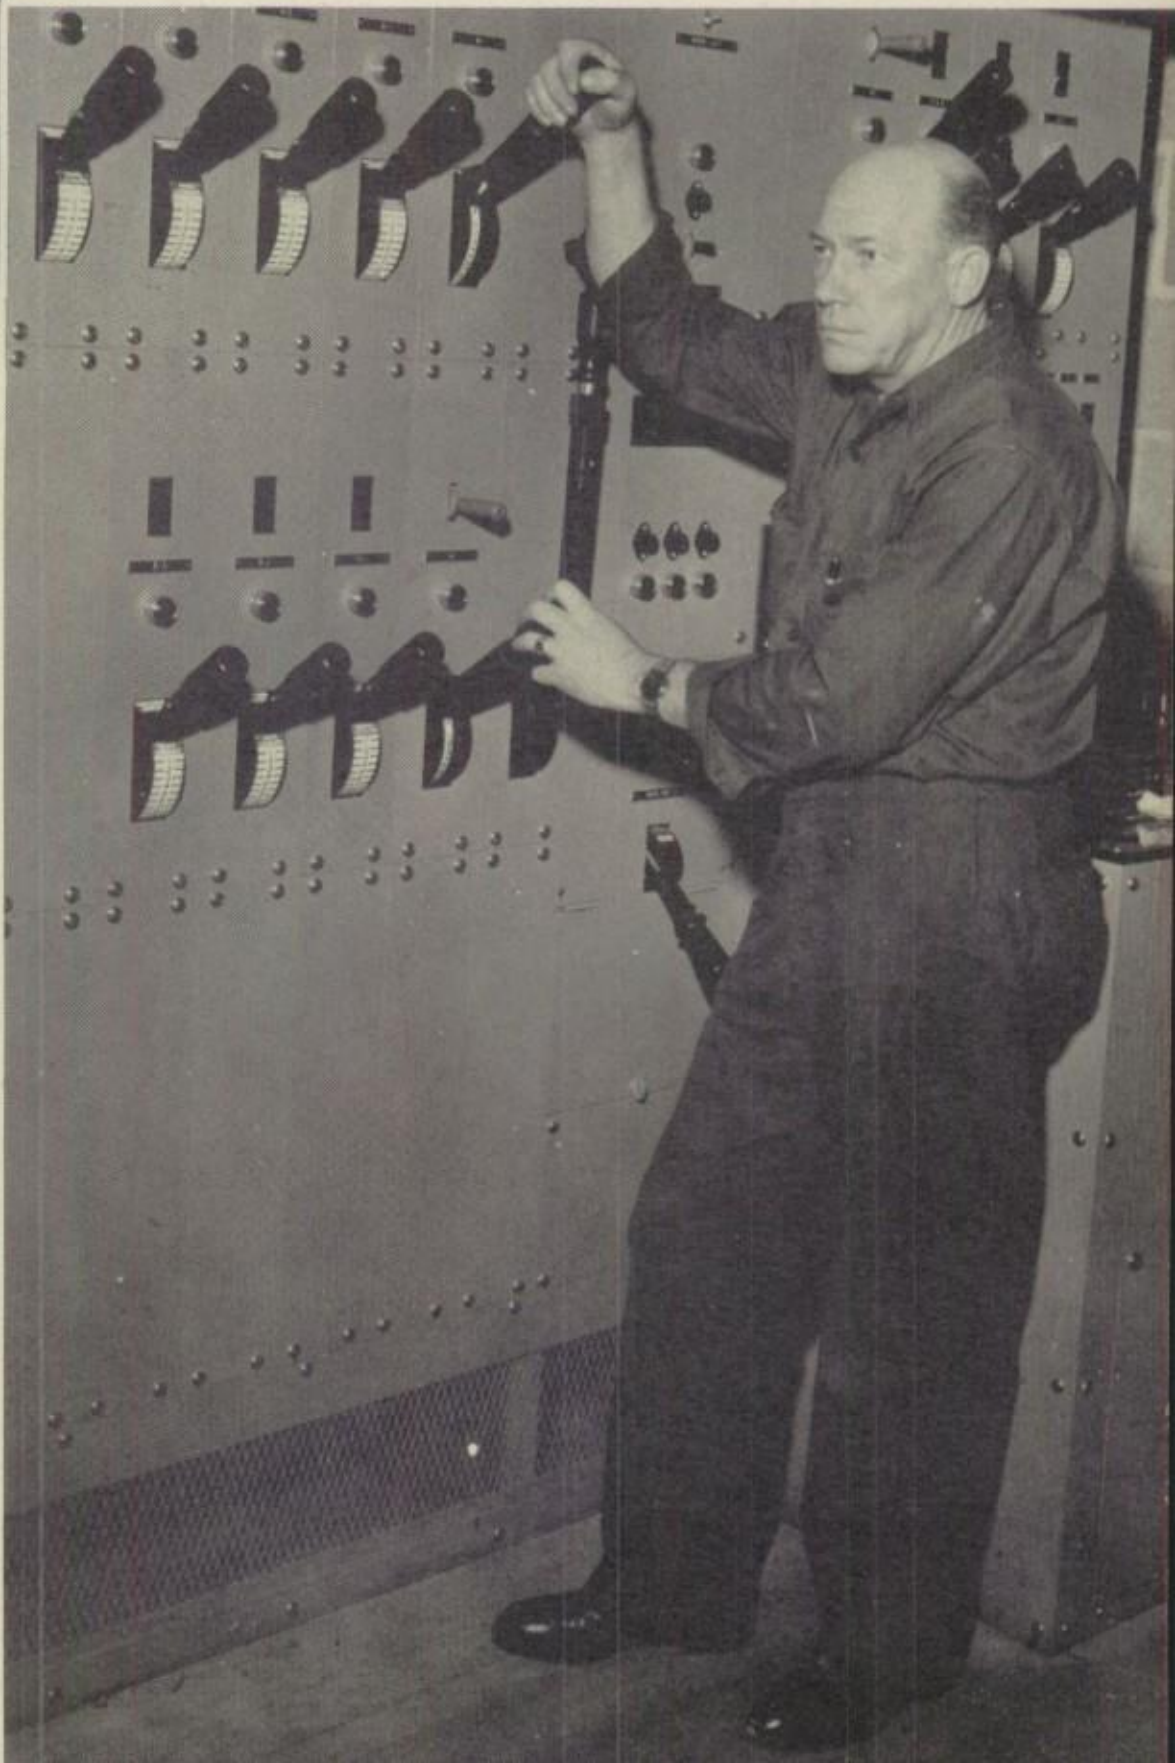

*These have helped make
"Our Golden Years"*

The wonderfully balanced menus which have been served us by Mrs. Guyer, our efficient manager of our beautiful new cafeteria, have certainly given us physical stamina and enabled us to live the experiences of these golden years more fully and more advantageously.

Although the job of keeping our huge building clean, warm, and in good repair occupies most of the time of Mr. Zeh, our jovial maintenance man, there was always time for a witticism or two as he passed us in the halls. His service and personality added much to our golden years.

standing for others - in our extra-
curricular activities have meant hard
work and pleasure

In
"Our
Golden Years"

Editor-in-chief Martha Ann Hudson and adviser Mrs. Clyde Turner had the task of planning the 1953 year-book.

Important in the success of the "Animo" are the efficient business manager Aubrey Amos and his able assistant, Billy Shepherd, who are seen here counting the money from circulation sales.

"Animo" Perpetuates

Sports Editor Louis Dillon plans the sports section with the help of Wayne Bennett.

Senior Editor Judy Flora and Associate Editor Edithor Nolen are busy assorting pictures for layouts.

Dear Reader,

We hope that you will cherish this book and the story which it portrays as we who have prepared it treasure it. We have attempted to record the dreams and actual happenings of this, the last of our golden years.

Days, weeks, months, and fun went into the preparation of the 1953 "Animo."

All members of the staff had jobs to perform, but much of the work fell on the shoulders of our

sponsor Mrs. Clyde Turner, Editor-in-chief Martha Ann Hudson, Business Manager Aubrey Amos, Edithor Nolen, and Betty Walker, assisted by several others who also had 6th Period Study Hall. We are greatly indebted to our sponsor, Mrs. Turner, who made this publication possible by giving many extra work hours to it, in addition to her full teaching load of 150 English students, a homeroom of 30 seniors, and a study hall of 43 students each day. No time was pro-

These super salesmen--Betsy Naff, Bobbie Ramsey, Beverly Reid, Claudette Jamison, and Jack Newbill---are off to sell ads, after receiving their instructions.

This group studies yearbooks for ideas. They are Peggy Akers, Bonnie Hunt, J. D. Hylton, Guy Amos, Alvin Hall, Douglas Love, Ronnie Bennett, Betty Barbour, Serina Montgomery, and Sandra Whitlow.

"Our Golden Years"

These are the typists who must beat the deadline with copy--Betty Prillaman, Shirley Brown, Betty Walker, Betty Sink, and Betty Woody. Janet Smith (not pictured) also assisted with the typing.

Another group studies layout of other annuals to help them in their tasks. They are Pierce Vaughn, Dick McCollom, Janet Flora, Patsy English, Sally Katenkamp, Jean Lynch, Kitty Cooper, Nancy Hamblin, and Tommy Law.

"Buy your Animo today", says Miss Ruth Hunt, Assistant Sponsor, who helps with circulation and individual photography.

vided in the schedule for her annual supervision; hence, we owe her a special debt of thanks for her willingness to help us. We also appreciate Mr. Bonner's co-operation, especially in relieving Mrs. Turner of her 6th Period Study hall during January and February for annual. To the faculty, the student body, and our business sponsors, goes our deep appreciation, also, for their co-operation.

The job of selling ads was faithfully per-

formed by all members who could find the time. They were supervised by Mrs. Turner and Business Manager Amos. The many jobs necessary for any publication-writing copy, drawing layouts, identifying pictures, etc.,-were accomplished by the full co-operation of all staff members, who were always ready to do any task assigned them. To these loyal workers we owe the production of "Our Golden Years." We hope you like it.

"Budding Journalists" Initiate "The Franklin Eagle"

What school would be complete without a means by which pupils can give their opinions on matters that directly concern them?

New to F.C.H.S. this year is a newspaper of its own, and one of the purposes of "The Franklin Eagle" is to print news and activities of interest to all pupils. In this way a unique history of the school is recorded--one set down by the pupils who make it.

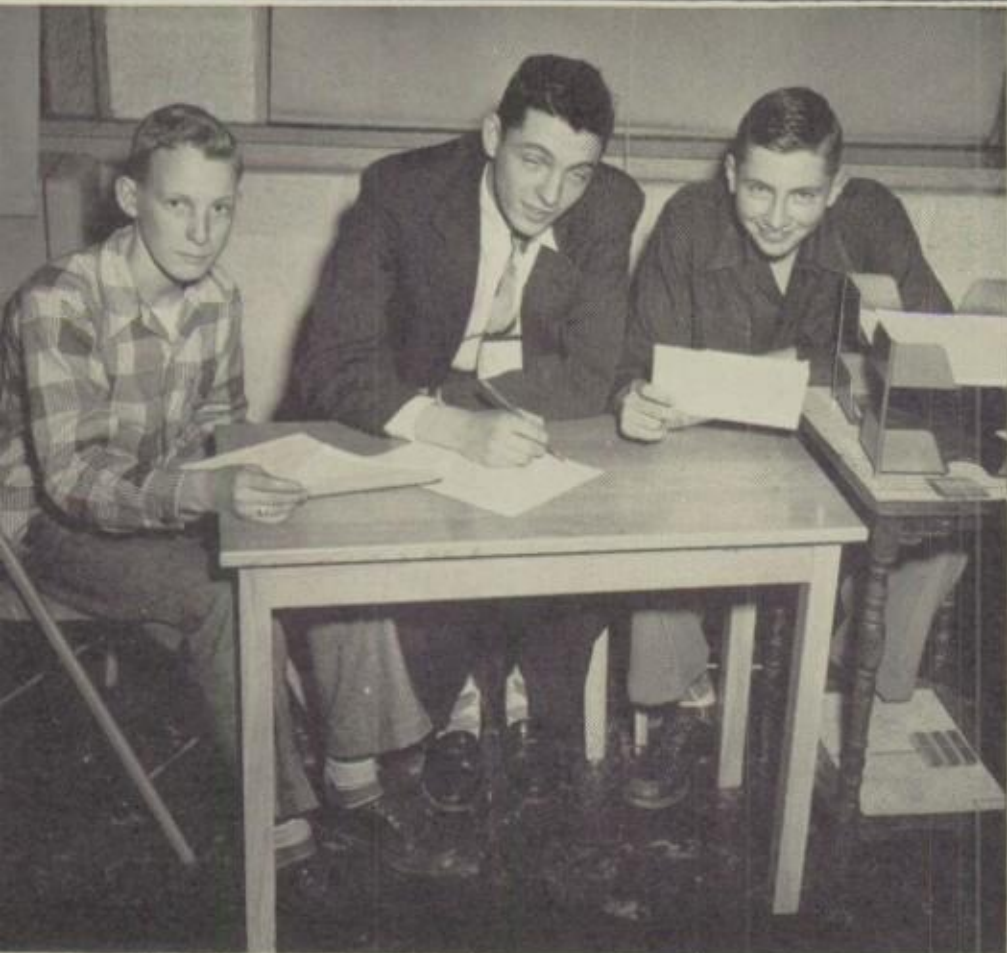

Since we are a new organization, we realize that everything we do is watched with interest. Therefore, we endeavor to create and nurture on the part of all students an interest in good newspaper writing. By our works we try to serve as a means of good public relations for F.C.H.S. Already, "The Franklin Eagle" has been sent to other schools; and, in turn, we receive their newspapers.

We recognize our responsibility to F.C.H.S. and realize that "anything we say may be used against us." Therefore, we pledge ourselves to be especially careful in the art of newspaper work.

Members of the Executive Board discuss the latest edition of "The Franklin Eagle" -- editor, Shirley Jane Tucker; associate editor, Virginia Greer; editorial assistants, Marjorie Angle and Dick McCollom; sports editor, Jerre Lumsden; business manager, Elmer Hall; circulation manager, Bobby Washburn; sponsors, Miss Jane Walker, Murray Shapiro, and Walter Hunt.

The art work for the newspaper is done by Miss Ellen Jean Peregoy and Hazel Angle. Helping them are: editor, Shirley Jane Tucker; associate editor, Virginia Greer.

Elmer Hall, Bobby Washburn, and Jerre Lumsden get together to sell the newspaper.

Since our newspaper is not printed, Peggy Turner, Christine Dudley, Christine Dunman, and Odessa Bowles have a tremendous job before the newspaper can be published. Proofreading and helping are: editor, Shirley Jane Tucker; sponsors, Miss Jane Walker and Walter Hunt.

Student Council Assumes Responsibility In School Government

Since the beginning of F.C.H.S. the Student Council has taken big steps in accomplishing its primary purpose - that of gaining co-operation between faculty and students and among students themselves. However, there still remains much more to be done, for when this co-operation is attained, it will pave the way for the four other goals of Student Council - citizenship, health, recreation and self improvement. Democratic living is also stressed by Student Council. Starting with the election of the representatives, then these representatives taking the groups opinions of their respective groups to council meetings, and finally the goals that are reached - these miniature enactments of Democracy strive to prepare the high school student for an active life as an American citizen.

With all the other improvements that are made in our fine school, Student Council will be leading the line, always striving to make our school the best possible in every respect.

Russell Davis
Student Body President

F.C.H.S. Choir

The members of the Franklin County High School Choir have worked splendidly this year. We have had a full schedule of performances which have meant work and fun for all.

This year's program has consisted of:

- Oct. 3--Talent Show-won 2nd place.
- Oct. 9--Lynchburg Farm Show
- Nov. 12--Rotary Club
- Nov. 14--Senior Woman's Club-Bingo Party
- Nov. 24--Student Council District Meeting
- Dec. 1--School Assembly Program
- Dec. 2--Callaway Ruritan Club

- Dec. 14--Attend Pittsylvania County Music Festival
- Dec. 17--Party given by the Sponsor
- Dec. 18--Christmas Caroling
- Dec. 19--Dramatics Club and Choir Xmas Program
- Dec. 25--Radio Program W.L.V.A. (Christmas)
- Jan. 22--Attended Westminster Seminary Choir
- Jan. 30--Woodmen of the World
- Feb. 7--Junior Chamber of Commerce Banquet

Dear Edithor,
 Just think --- this is the last time I'll be able to call you fellow student! I hate to think that our school days together are over. My knowing you and having you for a friend has meant a great deal to me. I thank you for letting me be your "adopted" sister and staying with you so much. Best of luck at M.C.V. and come to see Carol & I at Madison.

Love,
 Judy

Good luck and the best of days wishes always

CENTRAL GARAGE

JEFFERSONIAN DEBATE SOCIETY

*"Forth we went a gallant band ---
Youth, Love, Gold and Pleasure --"*

Parties, work, debates, speeches, and twenty members make up the Jeffersonian Debate Club. We've worked hard and had a lot of fun this year.

This year we want to get into Virginia League Competition. We have the material in our club to bring home some prizes.

Some of our members are working hard to get their speeches ready for the American League Oratorical Contest. We have a lot of confidence in those who are entering this contest.

We would like to give an assembly for the student body this year to show them a little more about our club.

We have had one party this year and are looking forward to a party we are planning for the whole student body.

We would like to thank Mr. Murray Shapiro and Mr. Lee Morris, our sponsors, for the help they have given us. We have enjoyed working with them this year and are looking forward to the next year.

Hi-Y Promotes Ideals of Christian Living

The Hi-Y Club is a Christian Organization which tends to create, promote and maintain better Christian Association throughout the school, home and community.

Some of the projects the Hi-Y has undertaken to do this year are sponsoring the homecoming celebration, erection of a flag, and a spring carnival.

Early in September we began plans for our homecoming event, which was very successful.

We would like to take this opportunity to thank all those who participated in the performance and those who gave their assistance to make this event possible.

Our thanks go to our officers, who are president, Alfred Hall; vice president, Bobby Newbill; secretary, E. T. Turner; treasurer, Carl Price; and to our advisor, Mr. MacDaniel Williams, who has served us faithfully.

Tri-Hi Y Renders Service to School and Community

Mother-Daughter Banquet

Purpose: "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Platform: "Clean speech, clean sportsmanship, clean scholarship, and clean living."

Barbara Dillon Hundley
President

The year 1952-53 has been a successful one for the Sara Saunders Tri-Hi-Y Club as they welcomed in new members. We have had several projects among which were four major activities: Baskets of food and clothing were taken to needy families at Thanksgiving and Christmas. Twenty-five dollars each was given to the Memorial and band funds. The most enjoyable event of the year was the Mother and Daughter Banquet held in the spring. We are affiliated with State and National organization.

Joyce Hunt

F. H. A. Tea

Joyce is president of the Virginia Association Future Homemakers of America. She is also president of Roanoke Area Federation Future Homemakers of America. Joyce represented Virginia at the National Convention of Future Homemakers held in Green Lake, Wisconsin. She will preside over the State Convention at Radford College in June. She served as a member of the Advisory Board in 1953 March

of Dimes Campaign for Virginia. She was also State Student Chairman of Civil Defense. During her term as State President funds have been set aside for 2 one year scholarships for 2 worthy students majoring in Home Ec., a state Future Homemaker of America handbook was published, and membership was increased. New chapters were also taken into the association.

MARKET SQUARE GROCERY

Piano Students Serve School and Community

The art of and course in piano playing is offered at Franklin County High School by Mrs. W. D. Peake. Piano instruction is given during the day to students having a study hall period. Lessons are offered for two thirty-minute periods a week and grades on the piano lessons are posted on the students' report cards.

Piano students are encouraged to take an active part in assembly programs, club activities, and community programs. Entrance requirements for higher schools of music are carefully followed and special attention is given to church music for those students from both town

and county where their services are needed in their churches.

Accompanists for the Franklin County High School choir are provided from the piano class whenever there is no interruption in the student's class room program.

Climaxing the year's work our annual piano recital is given in the high school auditorium. To this recital all friends and patrons of the piano class and school are cordially invited.

Student Bus Drivers are Here, There, Everywhere

The life of a king! That's a bus driver's life. Up in the wee, wee hours of the morning -- maybe time for breakfast -- maybe not. Now we start the daily drudge. The first stop -- they're all here with bright shining faces and a very cheerful "Good Morning" -- and, if you don't reply just as cheerfully, you get a spit ball aimed perfectly at your head. On to the next stop and you wait two, five, or ten minutes until Susie gets that curl in place and Tommy finds his jack-rocks.

On and on you go -- stopping here and stopping there. You just about have your load, and from

then on there is a continuous roar -- just like a small hurricane with occasional breaks, such as, "Make Johnny quit pulling my pigtails" and "Who took my lunch?" and "Get that bubble gum out of my hair!"

With luck you get to school with only about two flats.

All in all, it's a happy life. There are nineteen buses and they haul more than eight-hundred students.

Here we are. Just look at us. We may gripe a little, but we wouldn't change it for the world.

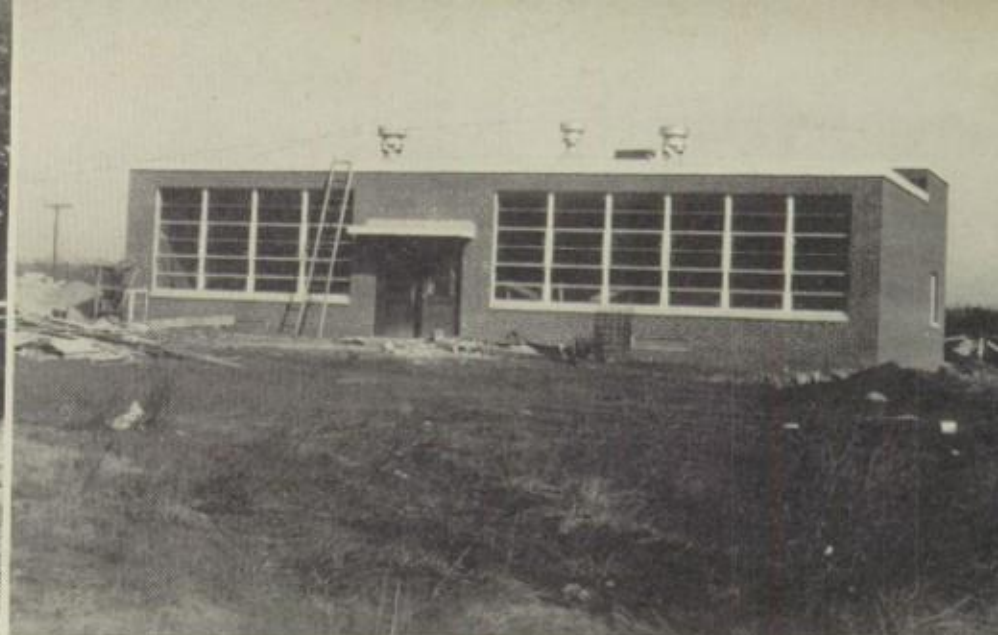

Elwood Oakes (64), Glennis Young (53), Claude Holcomb, Jr. (24), Carey Washburn (41), Roy Snyder, Teacher (52), William Sowder (45), Riley Boone (56), Billy Eanes (1), Jimmy Ingram (44), Joe Bryant (48), James Ferguson (20).

ROCKY MOUNT COCA COLA

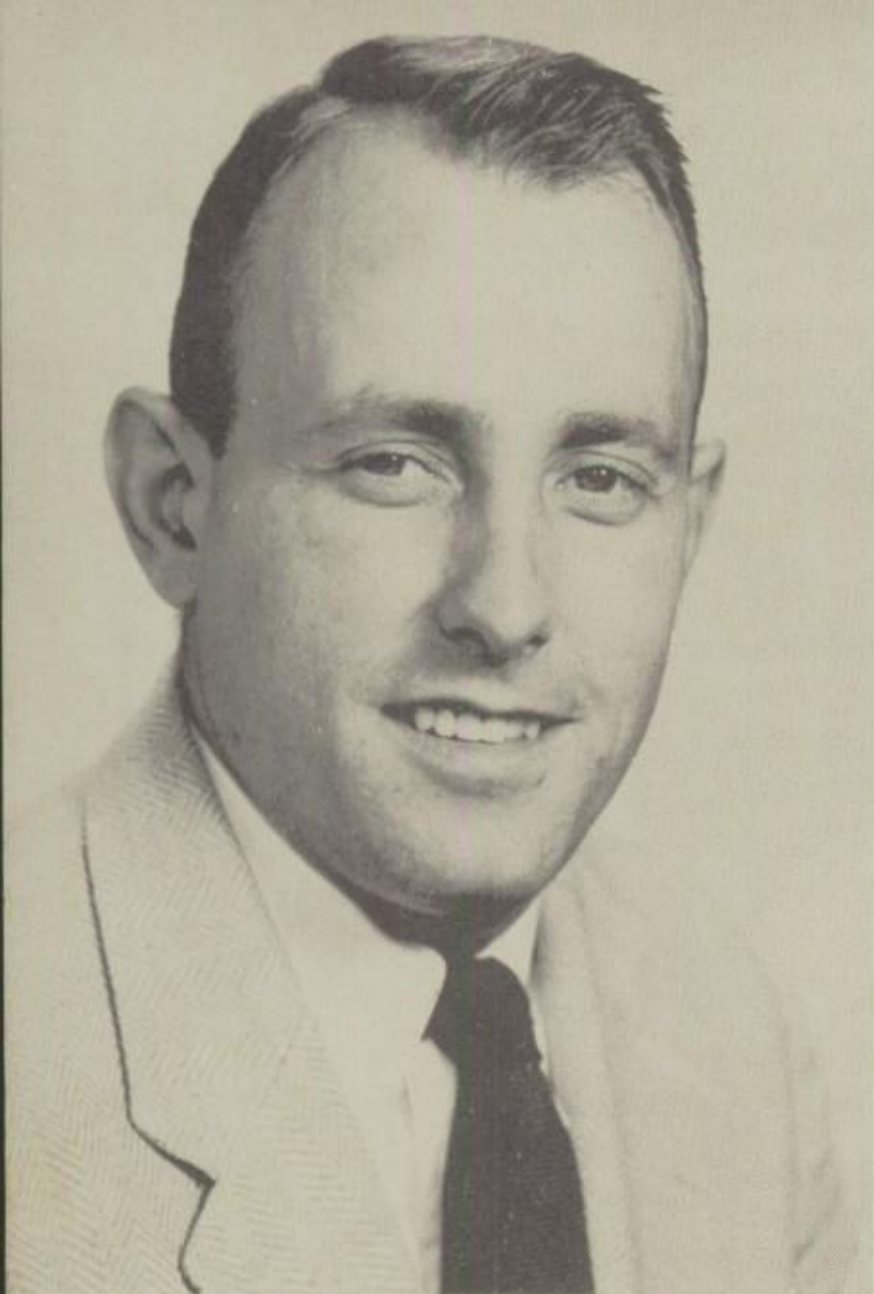

ATHLETICS

Our expanded athletic program has given us much valuable training, as well as many thrilling experiences. The first game of Football to be played in Franklin County occurred between our newly organized Eagle team and the Altavista team on our new field in the fall of 1950 in the first of---

*"Our
Golden
Years"*

"Cy" Dillon
Coach, Football, Basketball, Baseball

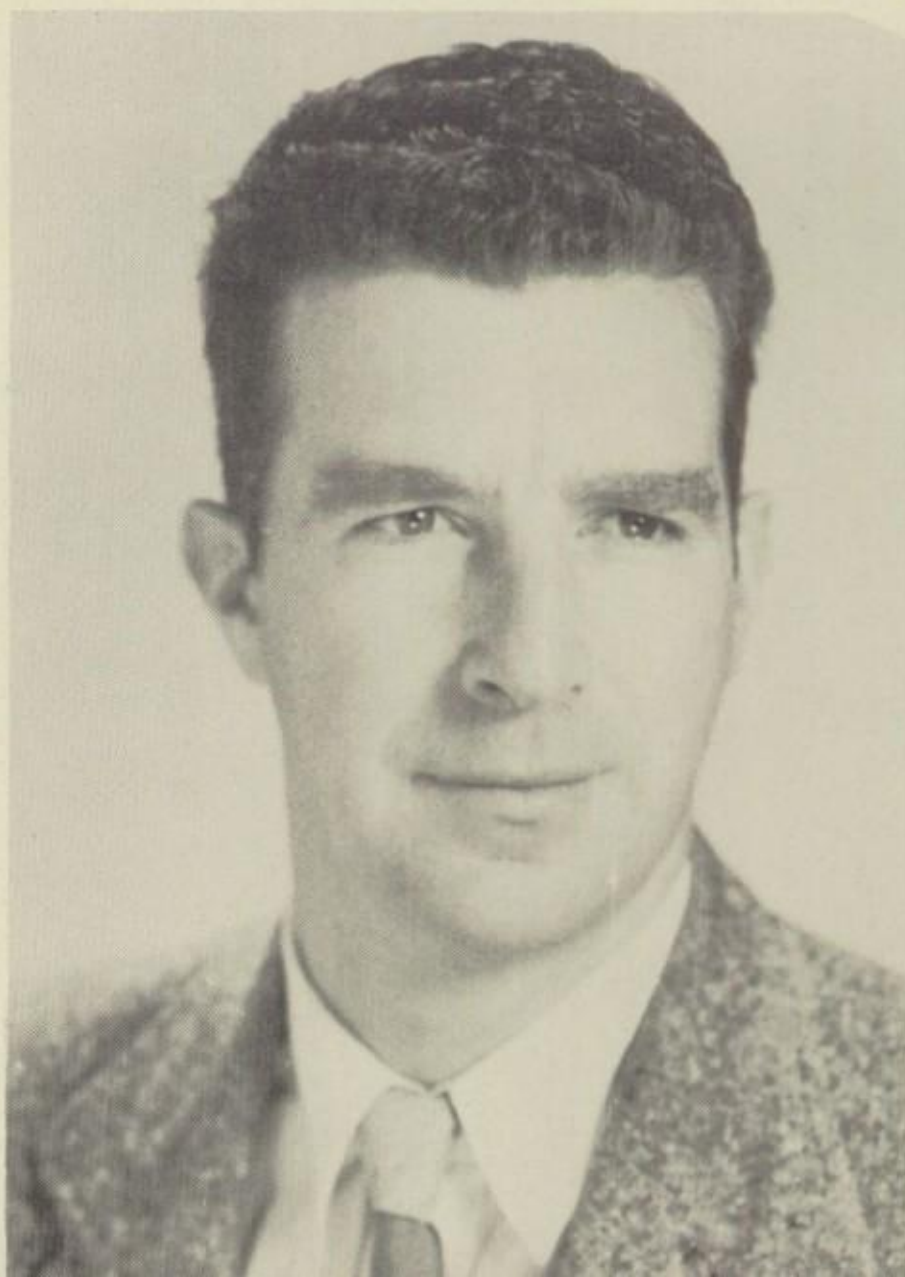

Although the Eagles did not have a very successful season, they had a fighting spirit that would compare with the best of teams. This is mainly because of the fine coaching of Cy Dillon.

Dillon had only a few boys to pick from when practice started. The boys worked very hard to condition themselves for the opening game. Dillon had the task of rebuilding a team, as he lost a great number of boys via graduation.

Brave Eagles Demonstrate Fighting Spirit

The Eagles started practice in August knowing they had a rough schedule to face. Practicing twice a day, the boys worked very hard to condition themselves for the opening game with Martinsville. This being their first year, most of the boys were inexperienced. They worked hard to learn the plays and their assignments. The coaches did a great job in building up the fighting spirit in the team. The boys were in there fighting constantly. The team played most of the season without the fine running and tackling of Carl Price. Carl was injured in the Bedford game and was out the rest of the season.

Let's not forget the "J. V." team when they went to Bassett and fought the Baby Bengals to a scoreless tie. When Bassett came up for the return game, they again played a scoreless game. The Baby Eagles lost two hard fought games to Hargrave.

Looking back into the 1952 season - Remember --Jamison's good playing at Martinsville --Bobby's long run at Galax--Rakes' 65 yard run at Jefferson--Louie's and Bobby's great defensive play against Christiansburg--Carl's great offense and defense against Bedford--Louie's pass to Rakes for the only score against Galax --The good defensive play by Tommy Law and Jamison at Fries--Davis' good playing against Bassett--Stanley's passes at Galax--Tommy's good defense against Fries--Bobby's and Louie's good runs against Bassett--Rakes' fine play at Hillsville--and Kelly's fine defensive play when the "J. V.'s" played Bassett. Yes, we had a lot of fun this year; however, we didn't have a very successful season. We are looking forward to a much better season next year.

Dear Edith, I think that you are a really wonderful girl and I hope I will be a great success.

Rakes throws Bassett man for a loss

Fighting Eagles down Bassett ball carrier

We had our good and bad times this year, but we enjoyed every game. Here the boys celebrate after dropping a very close, 19 - 14 game to Bassett. Had Louie been able to complete just one more pass to Page, the score probably would have been different. Oh well, that's the way the game goes.

Eagles Shoot Them High and Low

Coaches Cy Dillon and Bob Cokeley contributed much to athletics this year. They worked hard to keep the boys in condition for their sports. Here they are shown in the equipment room checking equipment that the boys turned in after football season. They are busy throughout the year with uniforms, shoes, pads, etc. This is one of the big problems they are faced with every year. We are sincerely thankful for what our coaches have done for our athletics.

WEAVER MIRROR CO.

Hall hits for two against Moneta.

Clingenpeel hits the nets for two.

Bobby Newbill--Scores two of his 17 against Moneta.

Franklin's basketball fortunes have greatly improved over last year. We had six lettermen returning from last year's squad, and all of these saw action during the year. These six boys were Carl Price, Bobby Newbill, Ken Clingenpeel, Tommy

Bousman, Richard Rakes, and Page Shepherd.

There were five newcomers to the varsity. They were Thomas Crook, Russell Davis, E. T. Turner, Tommy Newbill, and Tommy Law.

Shepherd, T. Law, C. Price, and T. Newbill. Not pictured, R. Davis and B. Newbill.

The first game of the year proved to be one of the best. The game ended in a tie and Colonial went on to win by four points. Many people said it was one of the best games they had seen in the gym in a good while. The big guns in Franklin's attack were Carl

Price and Ken Clingenpeel.

At this point in the season we have a six won-nine lost record with four left to play. This is a big improvement over last year's record.

BASEBALL

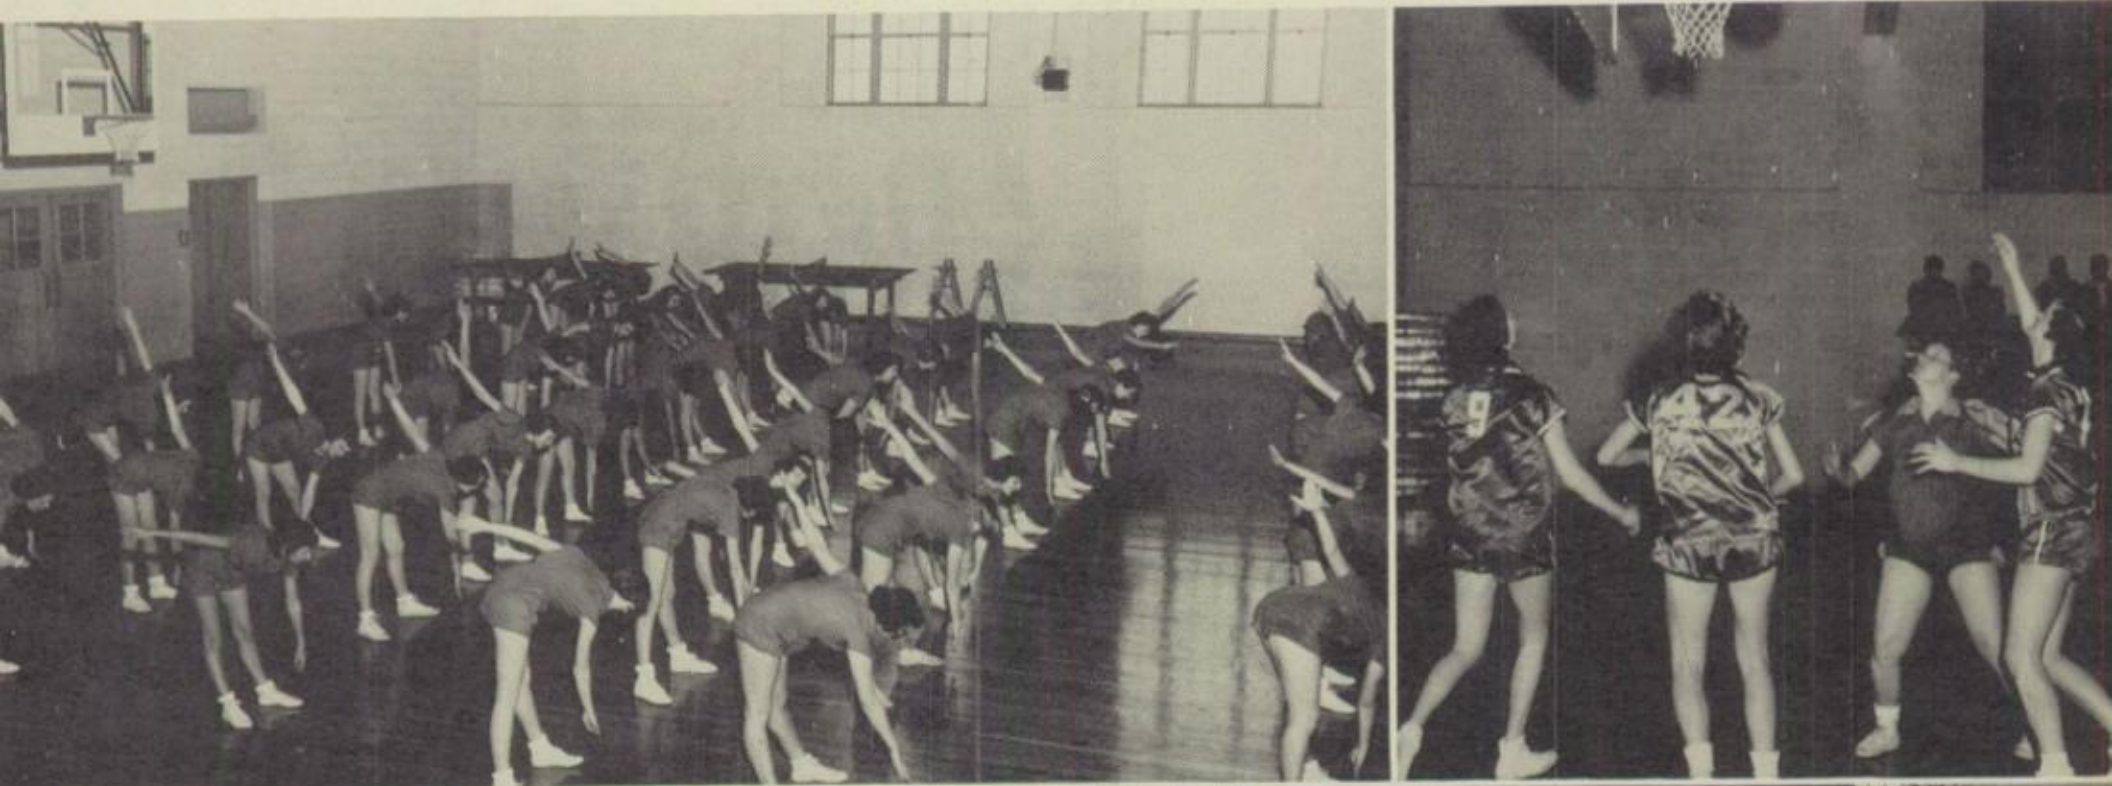

Our 1952 baseball team had a more successful season than our other teams. They lost only four games while winning nine. Billy Shepherd, Dick Rakes, and Eddie Shively did a great job on the mound for a fine season. In the first game Billy pitched a one-hit, one-run game against Hargrave. Shively had the best won-lost record, winning four and losing only one. David Stone, Louie Dillon, Carl Price, and Walter Campbell supplied most of the hitting power that brought many runs across the plate.

Although we had a successful season in '52, as the annual goes to press, we are looking forward to a more successful one in the spring of '53.

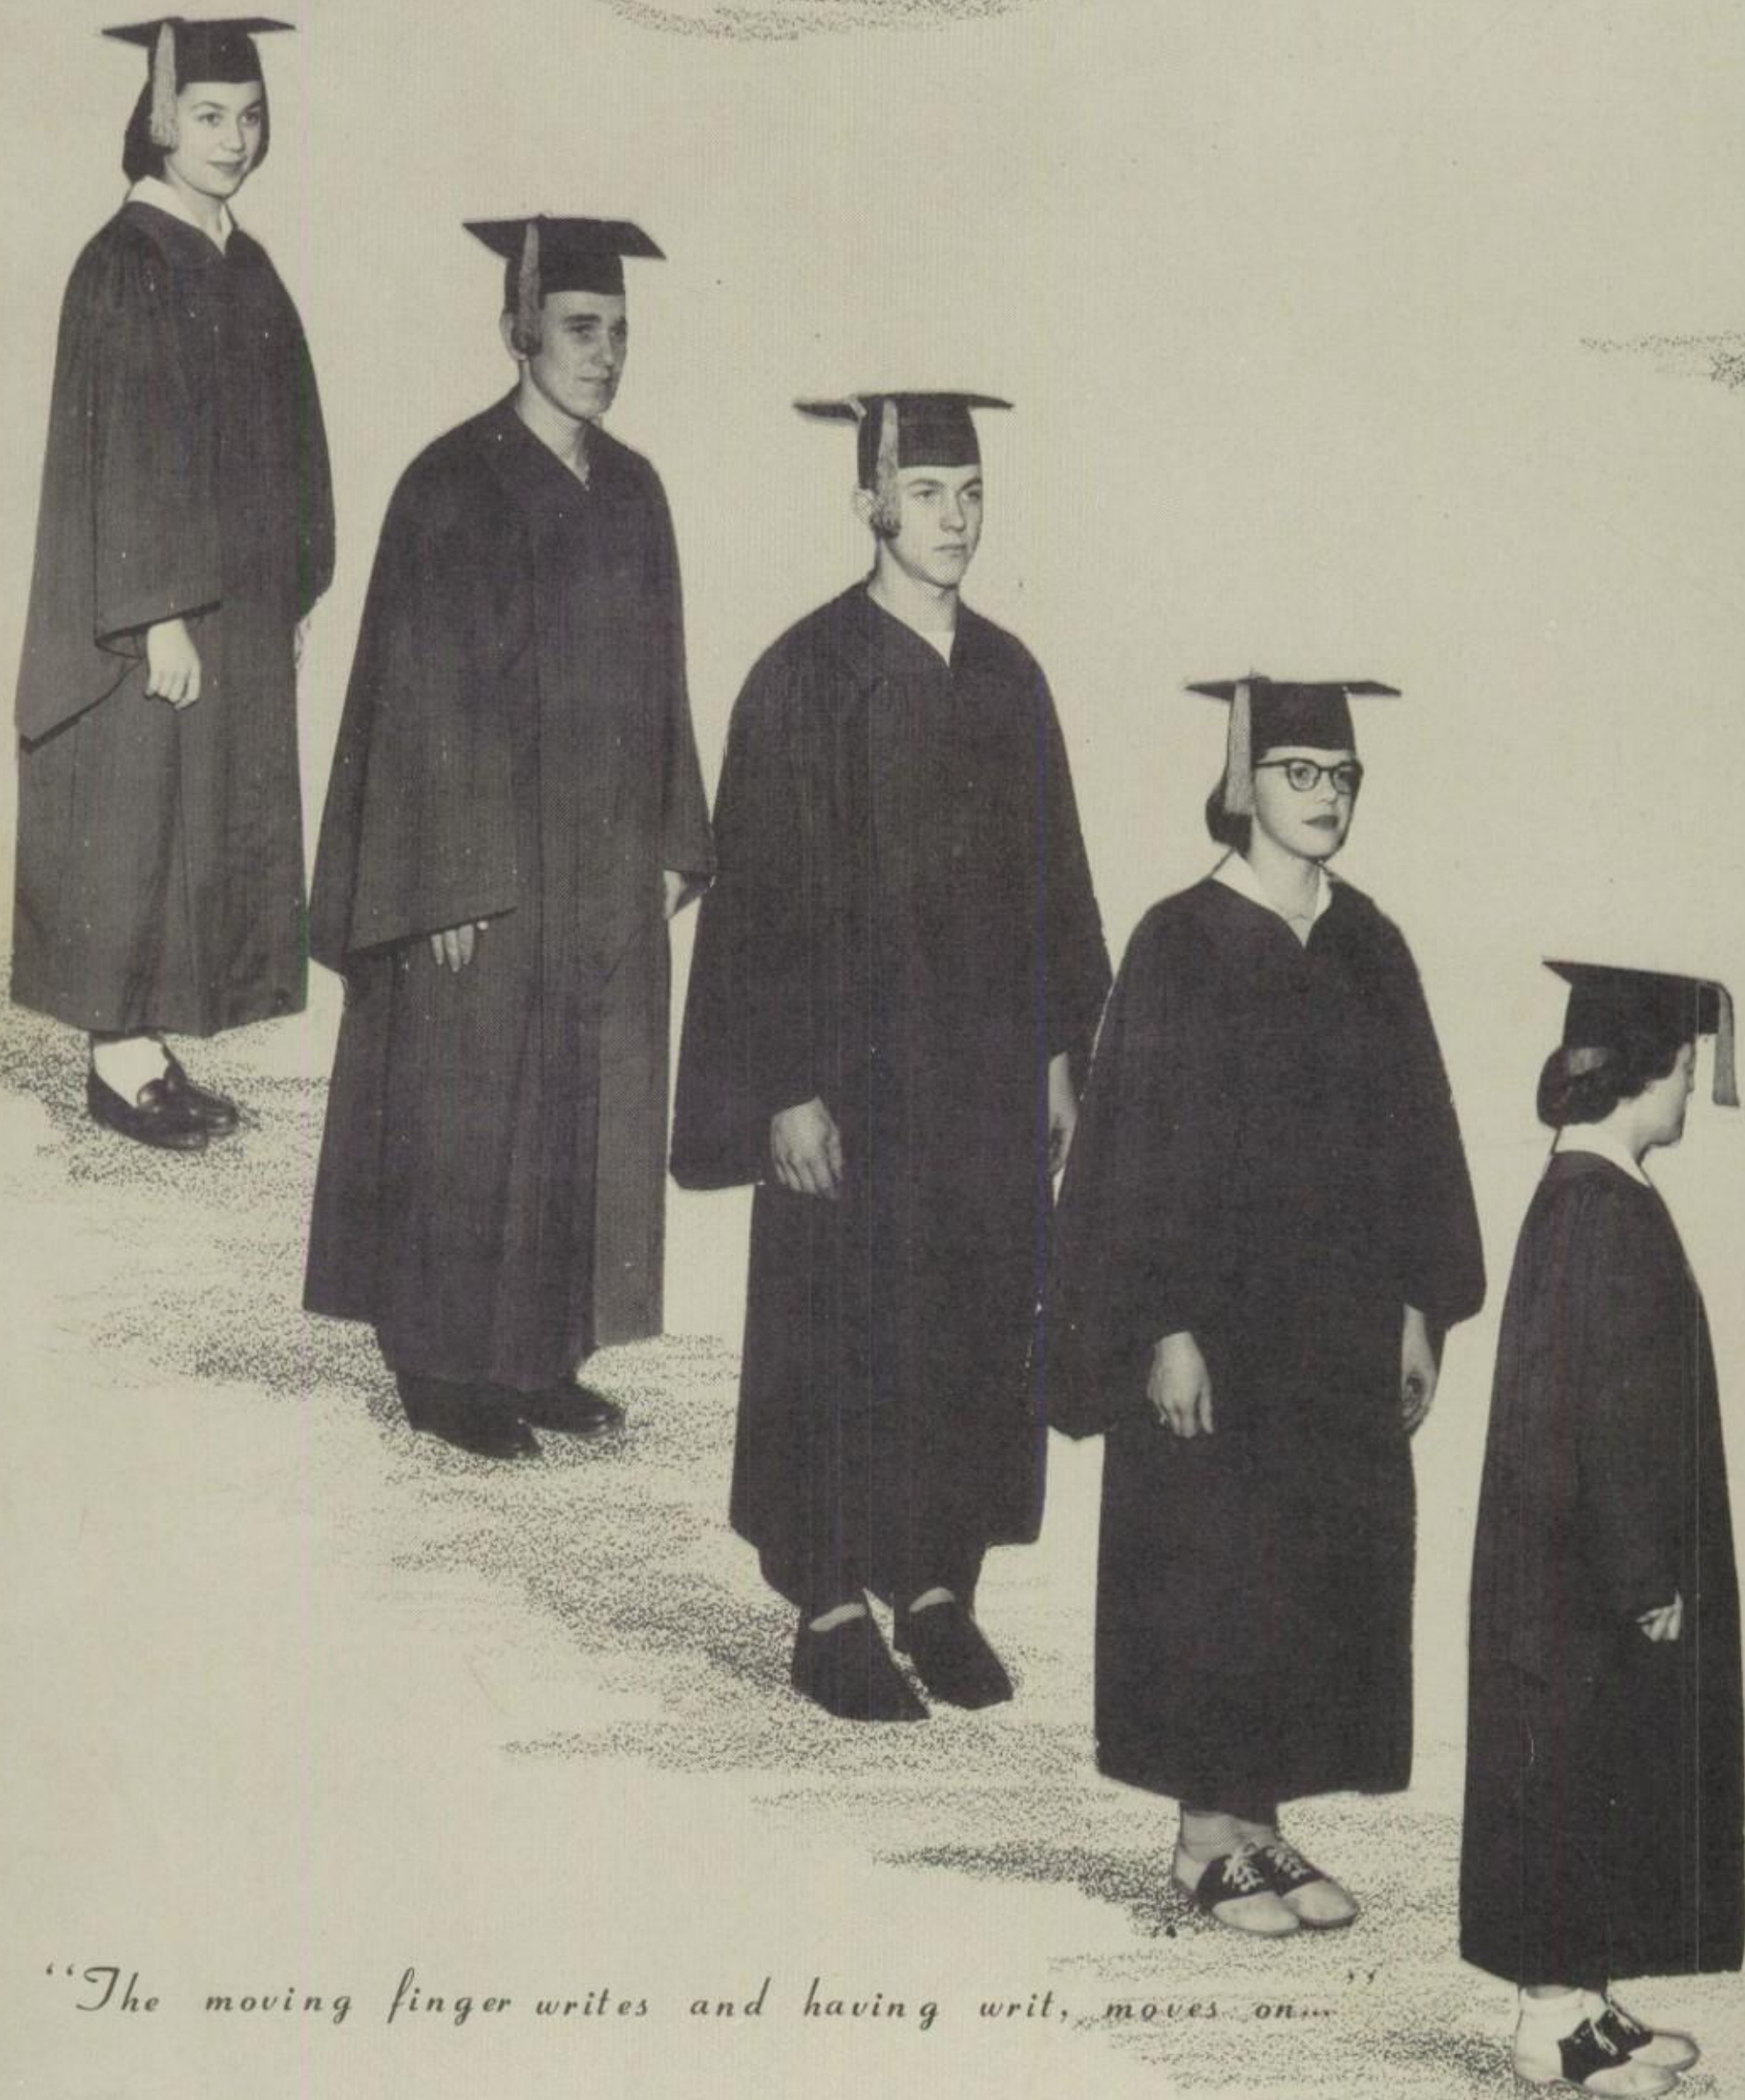

Seated left to right: Forrest Dodson, Elmer Hall, Page Shepherd, Bobby Newbill, Jake Chitwood, David Stone, E. T. Turner, and Dean Frith; Standing left to right: Thomas Crook, Carl Price, Billy Shepherd, Walter Campbell, William Stanley, Dick Rakes, Grady Webb, Wayne Bennett, Dick Allred, Eddie Shively, and Louie Dillon.

Claudette

I have enjoyed being in
school with you this year. Best
of luck in everything you do.

Benny Music leave

I have really enjoyed
being in the chair with
you. You've always been
my ideal, and I don't know
a sweeter girl. Margaret Anglin

Editor - I sure am going
 to miss you next year
 but I hope to see you
 at the next year's
 meeting. I have been
 very busy lately. I
 have been very busy
 lately. I have been very
 busy lately. I have been
 very busy lately. I have
 been very busy lately. I
 have been very busy lately.

Dear Editor
I have enjoyed knowing
you very much. You
are a very nice &
sweet girl.
"Willie"
5/15

Dear Edith, it's been nice
 Class with you. I hate
 Keep up the great singing
 sure you'll be an
 we will see
 Edith, hope very soon
 you have a very
 nice person and
 next April get
 went to life, with
 Hoff of
 out

Don't forget
 me
 Barbara

Very fondly.
Benny Mues
Thinking of you leave
seeing and for
ing in
Dont for
me
Barbara

Editor: hope very
much you are
well & happy - I
am well & happy -
I am well & happy -

Ki Sweetie,

I can't begin to tell you how much I have enjoyed knowing you all these years. Keep remembering all the good times we have had in the past. I hope that we can have loads of fun this summer before you go away to College. Things want be the same next year with you gone. While you are away just remember me and the wonderful times we have had. May you have the brightest of futures.

Love you always,
Virginia

Dearest Friend,

When I think about saying "Goodbye" to not being with ^{you} everyday I don't know what to say - but one can't expect to have everything always can one? I must say though that it's been the nicest years of my life being with you. You're one of the nicest, sweetest and prettiest girls I have ever known.

You've done so much for me. I could not have gotten along without you. I love you not for what you have done for me but for what you are and what you mean to me. Stay sweet and keep on smiling. "Keep Looking For The Silver Lining."

Love now and always,
Lorene

P.S. Good luck with
your love.

Edithan -

It is hard to start this because I don't know quite what to say. I have met, dated & seen many nice girls but I don't think I have ever known a girl quite like you. You are different in so many ways. As for your personality - plus you have the best I think I have ever seen. You are as pretty as a picture and a voice like a song-bird. You always treat every-one alike.

You have made your self a name in school that you can always be proud of. I'm certain you are one of the main "hook-bones". You always try to help every-one what they go at. Edithan you don't have to become a success because you already are. As you go through life the world will be kind to you and treat you as though you were a queen. The best of every thing I hope you will always have be cause you really deserve every-thing that is coming to you in the future. It will all be the best.

To me Edithan, you are hard to explain because you are the best. I think all the girls at Fenner are wonderful but you will always hold a special place in my heart.

Love,

Wilma

Dear Edithor, my child:

It has been only two short years measured by the hourglass of time, but to me, as measured by our many hours spent together in work and play, almost eighteen years, since you entered my algebra class one day in Sept. 1951.

My first recollecting my dear child is: "my name is Edithor, not Edith". Then came a day soon afterward when Edithor was absent. Even as early as the first of the month I knew you loved you and missed you. The Beta Club initiation finally came and now I have a vivid picture of you dressed as an old woman socks and heels. By the last of October my sorrows at home were so great that school was pushed into the background. But when I returned to school I found a friend, a little guardian angel who watched over me and guided me back to work. If it had not been for you, your thoughtfulness, kindness, your sweet attention and love, I would not have been able to finish the school. I'll never forget the times you sat by and watched the tears flow; the many things you did for me, your visits to my home, the "lemon pie" the ride one Saturday afternoon, flowers, candy, notes and so many things I can't begin to mention them all. Then came the Beta Convention 1952, you were just too good to me, I wanted to keep you by me, held on to you every minute. Near the close of school 1952 I found enough courage to ask you to spend the weekend with me, and you did. From then on you have not only been my little angel but my dearest little friend and pal. 1952-1953 was the best year in all my teaching - the happiest for me - you were responsible for it being such a good one. Never at anytime did you forget your home. The only thing wrong was that I felt you were not given credit for you did for some people. We can never forget the "Get-acquainted-Party", "Bake Sales" and "Beta Bats" all called for work.

I can never thank you enough for all the things you have done; But I can say this that no pupil has ever meant so much to me as you, I've never loved anyone as I love you. You have become a part of me and wherever you are, whatever you are doing just remember that somewhere is your "mother none". Thinking of you and wishing you the best.

Edithor with your pleasing Personality, your ability to do thing, unassuming and quiet, guided by the highest ideals of life you will make friends of all. I feel confident that you will be among the leaders of your profession and attain the greatest success in your chosen field.

I really dread school this fall - I will miss you so much - your place with me can never be filled by anyone - But you must go, if you didn't I wouldn't be happy. Your work will be hard but you can do it. I wish you the very best of everything - you'll make friends and be happy - I'll always love you - remember you are my only child. All my love to you,
your home

Editor -

We must never forget all good old times in choir.
you are a very exceptional girl, with fine ideals. Keep
singing, for you have a beautiful voice.

I know you will be a success in anything you
undertake in life.

Mary Crook

Editor,

you've probably noticed that I've written in two
places. I couldn't say enough over there. Editor, I
just want to say thanks (thanks) a million for
the many times you've brought me to Rocky
mount. I can't find words enough to thank
you. Good luck in college! you're really a loss
to F.C. & D. Don't forget us poor seniors trying
to ^{be} as good as you did. So-Long for now.

Love to a small friend,
Alice B.

Shirley

Dear Editor,
We've been together all of our school days, from the
start to the finish and we enjoyed every minute of
it. We had our ups and downs but all in all, we've
had fun. I can't think of enough adjectives to describe you,
but I must say that you're a very sweet, nice girl.
Don't change and the best of everything will be yours.
Be good to Paul and when you go away to college next
year, don't forget us, the Wrecking Crew, I know we
won't forget you, no matter what. We see you from
time to time to home to summer, as good-bye & good luck
for now. Remember I love you —

Dearest Editha,

There are many girls in school, but none quite as wonderful as you are. The good ole days in English when I didn't do my homework and you helped me out, the Unimo that you were the "mainspring" in putting together, just everything will never be forgotten as long as I am of sound(?) mind and body.

When I think of leaving you, the choir, and the school, I nearly choke on a lump that suddenly appears in my throat and my eyes get smoky in them. Good Luck to a beautiful, intelligent and all-around swell girl.

Love
Cubrey

To a lovely "dul ole dirl"

I hope you have happiness and loads & loads of luck thru out your whole life. I have enjoyed being in the choir with such a wonderful person.

Billy Jenkins

May 20, 1953

My dearest Edith,

It has been fine knowing you this year
I think you are a fine, a cute, and a very sweet girl
I want to wish you all the happiness and luck
in all the world to you, hope you have a successful
future ahead of you, we will sure miss you in the
chor next year, at least I will.

I will miss your sweet smile when I
and walking in the hall, well take care of
yourself and be good, hope to see you around
sometime.

EGO-AMO-TE

Danny

Dear Edith, you made the "Golden Years." I have
enjoyed them with you. I shall miss you very
much next year, but I shall not forget you.
My best wishes will follow you always in
whatever you undertake in life.

Clyde R. Turner

"

Edith,

Here's wishing the best of everything to one of the sweetest and nicest girls I know. I have certainly enjoyed all the trips we've taken. Together, all the banquets and everything was wonderful with you along. You're certainly a good sport. May you find happiness and success in the coming years, especially in your chosen field. I still think you're going to make an awfully cute nurse. Be good, "Meanness," and I'll be seeing you. God bless you.

always a friend,
Allen Powell

Dear Edith,

I'm not going to say good bye, no sir, I like this part of the country so well. When I first came up I took one look and said, "What'll I do?" Didn't think I could find any thing, but I have been so busy, having more fun, I haven't had time to wonder since.

Really, it has been great knowing you. Your meanness - er - I mean sweetness has given you a beautiful personality that can't be beat.

Remember that bumpy, jumpy ride (I can do better now) and all our other secrets. Oh! all these parties have been great - never a dull moment when Edith is around.

I know the best will always be yours, your winning way accounts for that. I want to wish you and yours the best in life. "May the Lord bless you and be gracious to you."

your friend
Jimmy Holloman
